

NISTRONICS社製 / NISTRONICS PRODUCTS [Class X2, 310VAC]

交流電源雑防用コンデンサ(アクロスザライン・ラインバイパスコンデンサ)

FOR INTERFERENCE SUPPRESSION (ACROSS THE LINE, LINE BYPASS CAPACITORS)

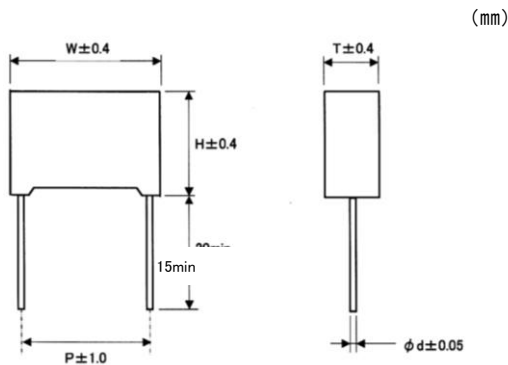

●メタライズド・ポリプロピレン・フィルム・コンデンサ

MPR310シリーズ

■特徴

- 海外安全規格認証品
UL94V-0 難燃性ケース、難燃性樹脂

■寸法図/DIAGRAM OF DIMENSIONS

■製品認証/PRODUCTS CERTIFICATE

Table with 2 columns: Certification Body (CQC, ENEC-VDE) and Certificate Details (GB/T6346, EN/IEC 60384-14:2005).

●METALLIZED POLYPROPYLENE FILM CAPACITORS

TYPE MPR310

■FEATURES

- Overseas safe standard certification products.
Flame retardent plastic case and resin.

■性能/PERFORMANCE SPECIFICATIONS

Table of performance specifications including temperature range, rated voltage, climatic category, dissipation factor, withstand voltage, and insulation resistance.

■寸法表/DIMENSIONS

Large table mapping Symbol, capacitance (uF), Parts No., and dimensions (W, H, T, P, phi d) for various capacitor models.

UL and CB TEST CERTIFICATE information for the capacitor.

Large table mapping Symbol, capacitance (uF), Parts No., and dimensions (W, H, T, P, phi d) for various capacitor models.
